Don't these boys get it? How many times must they get into trouble before they catch on? Best friends William and Thomas are back at it again with even more action and adventure. The poor community of Itchygooney isn't safe when William has a plan. This time there's an attack drone, a ghostly rocking chair, a slam-dunking wizard, and a UFO. Will these boys ever be stopped? Let's hope not! Back 4 More is the fourth book in the ongoing I Told You So series of humorous stories shared in short standalone bursts. If they were any longer you couldn't handle it!

The manual contains separate sections for vehicle service, engines, converters, track drive, track and suspension, and skis and steering.

This practical and helpful volume details how clinicians can work through various common challenges in individual, couple, or group psychotherapy. Chapters draw upon clinical wisdom gleaned from the author ' s 48 years as a practicing psychiatrist to address topics such as using countertransference for therapeutic purposes; resistance,

especially when it needs to be the focus of the therapy; and a prioritization of exploration over explanation. Along with theory and clinical observations, Dr. Gans offers a series of "Clinical Pearls," pithy comments that highlight different interventions to a wide range of clinical challenges. These include patient hostility, the abrupt and unilateral termination of therapy, the therapist's loss of compassionate neutrality when treating a couple, and many more. Many of the "Clinical Pearls" prioritize working in the here-and-now. In addition to offering advice and strategies for therapists, the book also addresses concerns like the matter of fees in private practice and the virtue of moral courage on the part of the therapist. Written with clarity, heart, and an abundance of clinical wisdom, Addressing
