When Dr. Phil's viewers need help turning their job search woes into employment success, he calls in Tony Beshara. One of the most successful placement professionals in the United States, Beshara knows what works and what doesn't. In The Job Search Solution, he outlines the simple yet powerful system that has helped over 100,000 people land jobs they love. Now, in a completely updated second edition, Beshara addresses the major challenges that confront candidates seeking employment today, including advice for readers who have been out of work for a while, were fired from their last job, are looking to change careers, or may be facing discrimination due to age. Featuring interactive exercises, real-life examples, practical Do's and Don'ts, and other essential tools, the new edition reveals how candidates can create a personal brand online, communicate with potential employers via e-mail, and leverage personal stories throughout the interview process. Both practical and empowering, The Job Search Solution gives readers the tools they need to get hired in one of the toughest job markets ever.

The book introduces tips that can be brought before joining an interview and finding a job you have dreamed about. The author transformed fear and negativity toward a positive job search with clear, easy to grasp, and tangible methods aimed to teach and guide you toward success. The 3 Step Methods include Discovery, Planning, and Action helping you get the best job ever. All provide brilliant insight and information for professional job seekers or anyone who want to search for a perfect job.

Right or wrong, when it's time to choose between a candidate who is perfect on paper and one who is persuasive in person, there ' s no contest. After all, almost every applicant who makes it to the interview process looks fabulous on a résumé. So employers have to make gut-level evaluations based on the candidates ' answers to the interview questions. How confident are you that your responses are distinguishing you from the competition?Hiring expert Tony Beshara knows the words that trigger " yes " in the minds of employers--and in his handy new book, he arms candidates with hundreds of ready-to-use responses to even the toughest interview questions. Covering entry-level to executive positions and encompassing all industries, Powerful Phrases for Successful Interviews propels job seekers through every stage of the process. Readers and future leading candidates will learn power phrases to• Get their foot in the door• Clearly communicate their skills, strengths, and experience--and why they would be a perfect fit• Make a great impression at the crucial opening and close• Score high on the likability factor• Dispel lingering concerns about work history• Give follow-up emails real impact•

Negotiate a strong job offer• And more!The job market is a wash with qualified applicants--which means the next position you apply for will be filled by the candidate who gives the right answers. This invaluable resource arms candidates with hundreds of ready-to-use responses to even the toughest interview questions, giving professionals the right words to make the difference every time.

In this book you will learn effective job search strategies that will enable you to

Contains answers to 450 sample questions so that you will be prepared for any question. This book also gives tips on taking charge of the interview situation, and what to do when you are offered the job.

This book is a guide to successful job searching for upper management and executive-level candidates. Written by a successful executive outplacement consultant, it provides the inside scoop on what really goes on in a job interview.

What does Tony Beshara do that most r'sum' "experts" don't? While the experts write r'sum's all day, Tony-the veteran placement specialist featured regularly on the Dr. Phil show-actually uses them to get people jobs. With Unbeatable R'sum's, Tony dissects and discusses real-life r'sum's for jobs in a wide range of industries from healthcare to banking, construction to technology, administration to sales and marketing, and more. The book shows readers how to build a powerful r'sum', utilize keywords effectively, use gaps and job changes to their advantage, and pair their r'sum's with concise, dynamic cover letters. He complements his expertise (he has personally placed more than 8,500 professionals) with the results of a survey of more than 3,000 managers, executives, HR specialists, and other hiring authorities about what gets r'sum's read, interviews granted, and jobs offered. Readers will learn: " The critical components of well-written r'sum' " How to ensure their r'sum' actually gets read... by the right people " What employers look for, and what turns them off " How to customize a r'sum' for a particular job " The truth about video r'sum's, job-search websites, and social networking sites like FaceBook, LinkedIn, andMySpace " And much more! Unbeatable R'sum's shows job seekers of all types how to present themselves in the best possible light...for the best possible position.

It ' s been a long time since you had to search for a new job. You may be wondering, How did I get this last one so many years ago? What has changed since I last hit the job market? Have I since gathered more knowledge and experience that qualifies me for something better this time around? Where does one get started? The Job Search Checklist is your saving grace! This indispensable guide covers everything from dealing with the emotional impact of being laid off to rebuilding your professional identity. Within these pages, you ' ll find solid advice on: • Developing a career plan by taking stock of your experience, abilities, and goals • Crafting an effective résumé and building Internet-friendly documents • Creating a " personal marketing plan " to promote yourself to potential employers • Finding the hidden job market through in-person and online networking• And much more!Complete with downloadable templates, sample cover letters, a range of effective résumé formats, and helpful checklists throughout the book, this invaluable resource gets you on the right path toward your next career and keeps you there.

Hired-Network to land the job you want was written to help any proactive job seeker no matter what generation category they are lumped into. Today the average job seeker is frustrated with the lack of results they are getting through the traditional job hunting process of applying and waiting for opportunities to come to them. The common unintended consequences of waiting for opportunities are eroding self confidence, career doubt, depression and financial paralysis. Millions of people are facing these same issues every day; especially when you consider that the average time it takes an unemployed person to find a job is 9 months. This book details proven techniques, tips and actual ways for job seeker to proactively identify the job they want and land it in a shorter period of time. These techniques are proven and have been honed through last three recessions. In this book there are no quick-rich schemes. This book examines strategic ways to define and understand what your work accomplishments are to create and understand your market value. Some of the things you will learn from this book, How to easily create a healthy professional network to uncover job opportunities before they are public. How to create your competitive differentiators to land jobs, and build self confidence, by learning how to create your accomplishments. Identifying jobs you want, creating creative approaches to talk to hiring manager and bypassing the traditional job black hole of applying and waiting. The information contained in this book has helped hundreds of job seekers to differentiate themselves from their competition. It has allowed them to circumvent the applying and waiting while actually helping them to reduce the time it took to find a job. I hope you enjoy this book and it brings you success and happiness.
