Explains which sewing-machine accessories to use when , with the aim of saving time, creating beautiful embellishments, working with difficult-to-handle fabrics and much more. Original.

Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

Let your quilting creativity soar with these magical machine techniques! Are you using your sewing machine to its fullest creative capacity? Do you know what each foot can do? Expand your repertoire with machine techniques, embellishment, surface design, and thread painting skill, thanks to your sewing machine. Nine highly qualified, experienced sewing machine educators have developed 13 delightful projects to show you how to make the most of your machine's technical possibilities. From pillows to bed scarves, from wallhangings to table runners, any quilt will benefit when its creator uses these techniques.

Contains instructions for over one hundred sewing projects made with one yard of fabric, including clothing, aprons, bags and totes, organizers, toys, and other items, and provides pattern pieces and a review of basic sewing techniques.
