The stories of Mexican migrant women who parent from afar, and how their transnational families stay together While we have an incredible amount of statistical information

## Read PDF Maria Fernanda

about immigrants coming in and out of the United States, we know very little about how migrant families stay together and raise their children. Beyond the numbers, what are the everyday experiences of

## Read PDF Maria Fernanda

families with members on both sides of the border? Focusing on Mexican women who migrate to New York City and leave children behind, *Motherhood across Borders* examines parenting from afar, as well as the ways in

# Read PDF Maria Fernanda

which separated siblings cope with different experiences across borders. Drawing on more than three years of ethnographic research, Gabrielle Oliveira offers a unique focus on the many consequences of

# Read PDF Maria Fernanda

maternal migration. Oliveira illuminates the life trajectories of separated siblings, including their divergent educational paths, and the everyday struggles that undocumented mothers go through in order to figure

## Read PDF Maria Fernanda

out how to be a good parent to all of their children, no matter where they live.

Despite these efforts, the book uncovers the far-reaching effects of maternal migration that influences both the children who

## Read PDF Maria Fernanda

accompany their mothers to New York City, and those who remain in Mexico. With more mothers migrating without their children in search of jobs, opportunities, and the hope of creating a better life for their families,

# Read PDF Maria Fernanda

Motherhood across Borders is an invaluable resource for scholars, educators, and anyone with an interest in the current dynamics of U.S immigration.

# Read PDF Maria Fernanda

This book examines the role of tax policy in the incidence of socio-economic inequality. With a focus on Latin American, the author demonstrates that while inequality has decreased

## Read PDF Maria Fernanda

remarkably in the last decade - during the very period in which inequality was increasing almost everywhere else in the world - this reduction cannot be attributed to a better use of tax policy. Offering both

## Read PDF Maria Fernanda

quantitative and qualitative reviews of tax policies pursued by Argentina, Chile, Colombia, Mexico and Peru over the last two decades, Reducing Inequality in Latin America contends that these countries continue to make

## Read PDF Maria Fernanda

insufficient use taxation measures in combating startlingly high levels of inequality. Drawing on legal texts, interviews with researchers and experts in the field, and official monetary statistics to

## Read PDF Maria Fernanda

obtain a complete picture of how discretionary tax policy has been pursued in the region, this volume engages with a range of recent economic theories to argue for the importance of using the tax system to reduce

## Read PDF Maria Fernanda

inequalities, whilst also offering new methods for measuring tax policy in subsequent research. As such, it will appeal both to scholars of social science and policy makers with interests in economics,

# Read PDF Maria Fernanda

social inequality, public  
policy and international  
political economy.

It was from Argentina, in  
the years 1976 to 1983, that

## Read PDF Maria Fernanda

the world heard the cries of the families of los desaparecidos, the disappeared--20,000 to 30,000 people made to vanish forever by official sleight of hand. In the years since, the scope and range of

# Read PDF Maria Fernanda

governmentally sanctioned kidnappings has spread exponentially, making enforced disappearances a truly global problem. This volume provides an in-depth legal investigation of involuntary disappearances

# Read PDF Maria Fernanda

as defined by national and international law. Beginning with a detailed discussion of what constitutes an enforced disappearance, it goes on to consider how various international organizations such as the

# Read PDF Maria Fernanda

United Nations view this problem. Using the Multiple Rights Approach, enforced disappearances are examined as a violation of internationally defined basic rights such as the right to personal freedom,

# Read PDF Maria Fernanda

the right to protection against torture and the right to a judicial remedy. Viewpoints of the Inter-American Court of Human Rights and the European System of Protection are scrutinized with special

## Read PDF Maria Fernanda

consideration regarding the international laws applicable to the problem. The availability (or lack thereof) of restitution and compensation for material damage, mental and physical anguish, and loss of

# Read PDF Maria Fernanda

opportunity is also addressed. Finally, the work considers the need for a comprehensive and coherent framework when dealing with enforced disappearances.
