A classic resource that has helped nurses pass the NCLEX exam for over 60 years, Mosby's Comprehensive Review of Nursing for the NCLEX-RN® Examination, 20th Edition is fully updated to reflect the newest NCLEX-RN test plan. Content review is presented in a concise and full-color outline format organized by the core areas of medical-surgical, pediatric, maternity/women's health, and mental health nursing, with a practice test following each unit. More than 4,200 practice questions and rationales -- including more than 600 questions in the newest alternate item formats -- are written by a team of trusted NCLEX® experts led by author Patricia M. Nugent. This title includes additional digital media when purchased in print format. For this digital book edition, media content may not be included.

A classic resource that has helped nurses pass the NCLEX exam for over 80 years, Mosby's Comprehensive Review of Nursing for the NCLEX-RN® Examination, 20th Edition is fully updated to reflect the newest NCLEX-RN test plan. Content review is presented in a concise and full-color outline format organized by the core areas of medical-surgical, pediatric, maternity/women's health, and mental health nursing, with a practice test following each unit. More than 4,200 practice questions and rationales -- including more than 600 questions in the newest alternate item formats -- are written by a team of trusted NCLEX® experts led by author Patricia M. Nugent. A companion CD enhances your NCLEX® review by allowing you to customize quizzes and exams and download audio review summaries of key content. Over 4,200 practice questions in the book and on the companion CD provide ample practice opportunities in both print and electronic formats. Review questions are grouped by categories of concern to focus your study on any areas of weakness. Detailed rationales for correct and incorrect answers are provided with every question. Text references are provided with the answer rationales for further study of difficult topics. Two comprehensive exams are coded by clinical area, client need, nursing process, and cognitive level, to help you evaluate your strengths and weaknesses. An overview of the latest NCLEX-RN test plan describes the recent changes and additions to content. Companion CD allows you to create customized quizzes and exams based on clinical area, NCLEX client needs category, nursing process, and cognitive level.

This bestselling book provides students with over 3,500 practice test questions in the book and on the free CD-ROM. Questions are designed to provide a self-study method for students to assess their nursing knowledge, as well as their strengths and weaknesses in the test-taking process. The CD-ROM provides a computerized testing experience using 500 questions not found in the book.

Celebrating its 60th anniversary, "Mosby's Comprehensive Review of Nursing for the NCLEX-RN Examination" is now completely reorganized and in full color. With more than 4,100 questions in the book and CD-ROM, this review is a vital study tool.

[This book] has been revised and updated ... to incorporate the latest knowledge, newest trends, and current practices in the professional of nursing ... The two comprehensive, integrated tests at the end of the text ... approximate the NCLEX-RN test plan.-Pref.

This money-saving package is a must-have for nursing students! It includes Mosby's Comprehensive Review of Nursing for NCLEX-RN® Examination 19th edition text and an electronic version of the textbook that allows students to search, highlight information, take notes, share notes and more. This package makes it simple for students to make the most of their study time and get more use out of their textbooks!

This is a Pageburst digital textbook: Celebrating its 60th anniversary, Mosby's Comprehensive Review of Nursing for the NCLEX-RN® Examination, 19th Edition is now completely reorganized and in full-color for an even better studying experience! Content is divided into units covering the core areas of medical-surgical, pediatric, maternity/women's health, and mental health nursing. Smaller chapters within the units break down information into smaller, more manageable pieces for a complete review of key content. NCLEX-RN® examination-style questions, including the newest alternate item formats, follow each unit and help you master the content and practice with critical thinking questions seen on the exam. With over 4,100 questions with rationales in the book and on the companion CD-ROM for practice in print and electronic formats, this all-inclusive review is a vital study tool for the NCLEX-RN® exam. A clear, concise outline format presents in-depth content review from all core clinical areas in an easy-to-study design. Detailed rationales for both correct and incorrect answer options ensure effective and efficient test preparation. Three modes - study, quiz, and exam - on the companion CD provide customized practice. Two comprehensive exams coded by clinical area, client needs categories, and nursing process help you evaluate your strengths and weaknesses and guide your study. More alternate item format questions than ever provide additional practice with these important critical thinking questions. Additional illustrations and tables help you visualize and understand essential nursing content. An overview of the latest NCLEX-RN® test plan highlights the latest changes and content additions to better prepare you for the exam. UNIQUE! A "Get Updates" link on the Companion CD provides access to the latest content and software updates.

This innovative book prepares students for the NCLEX-PN exam with thorough content review and 3,000 practice questions. Silvestri provides readers with information on NCLEX-PN preparation, test-taking strategies and the NCLEX-PN from students' perspectives. A free CD-ROM contains all 1,600 questions from the book plus 1,400 additional questions.

Leading and Managing in Nursing, 5th Edition -- Revised Reprint by Patricia Yoder-Wise successfully blends evidence-based guidelines with practical application. This revised reprint has been updated to prepare you for the nursing leadership issues of today and tomorrow, providing just the right amount of information to equip you with the tools you need to succeed on the NCLEX and in practice. Content is organized around the issues that are central to the success of professional nurses in today's constantly changing healthcare environment, including patient safety, workplace violence, consumer relationships, cultural diversity, resource management, and many more. ". apt for all nursing students and nurses who are working towards being in charge and management roles." Reviewed by Jane Brown on behalf of Nursing Times, October 2015 Merges theory, research, and practical application for an innovative approach to nursing leadership and management. Practical, evidence-based approach to today's key issues includes patient safety, workplace violence, team collaboration, delegation, managing quality and risk, staff education, supervision, and managing costs and budgets. Easy-to-find boxes, a full-color design, and new photos highlight key information for quick reference and effective study. Research and Literature Perspective boxes summarize timely articles of interest, helping you apply current research to evidence-based practice. Critical thinking questions in every chapter challenge you to think critically about chapter concepts and apply them to real-life situations. Chapter Checklists provide a quick review and study guide to the key ideas in each chapter, theory boxes with pertinent theoretical concepts, a glossary of key terms and definitions, and bulleted lists for applying key content to practice. NEW! Three new chapters - Safe Care: The Core of Leading and Managing, Leading Change, and Thriving for the Future - emphasize QSEN competencies and patient safety, and provide new information on strategies for leading change and what the future holds for leaders and managers in the nursing profession. UPDATED! Fresh content and updated references are incorporated into many chapters, including Leading, Managing and Following; Selecting, Developing and Evaluating Staff; Strategic Planning, Goal Setting, and Marketing; Building Teams Through Communication and Partnerships; and Conflict: The Cutting Edge of Change. Need to Know Now bulleted lists of critical points help you focus on essential research-based information in your transition to the workforce. Current research examples in The Evidence boxes at the end of each chapter illustrate how to apply research to practice. Revised Challenge and Solutions case scenarios present real-life leadership and management issues you'll likely face in today's health care environment.

Designed for the student who is preparing for the Canadian Practical Nurse Registration Examination (CPNRE), Appendices include the CPNRE Competencies, Medical Terminology, Abbreviations, Common Laboratory and Diagnostic Tests, and Mathematical Formulas.
