women that can

Why is it that so
many of us settle
for a less-than-
satisfying Christian
life? We suffer the
symptoms-spiritual
dryness,
dissatisfaction, and

Where To

unanswered
prayers-of a yet-
unidentified
problem that
creates an obstacle
between God and
us. We seem
unable to connect
the dots between
our symptoms and
the problem
causing them: God
is no longer first in
our hearts. Pastor

Where To

Dennis Newkirk
shares how God
revealed to their
church their
idolatry. The
lessons were
difficult, but the
result was an
extraordinary
spiritual revival
and much deeper
fellowship with
God. No gods but
God is about

Where To

Other Gods
learning to
confront our
modern-day
idolatry and how
God uses a four-
step pattern to call
our hearts back to
him. Examining our
own lives before
God and admitting
that our hearts
have strayed isn't
easy, and it is most
certainly humbling.

But that's what
God wants-a
humbled,
repentant person
standing before
him willing to be
used in service for
him. Let No gods

Ravi Zacharias and

the absolute claims

of Christ against
modern belief in
the "secular gods"
of atheism,
scientism,
relativism, and
more. The rise of
these secular gods
presents the most

to the absolute
claims of Christ
since the founding

itself. The Christian worldview has not only been devalued and dismissed by modern culture, but its believers are openly ridiculed as irrelevant. In JESUS AMONG SECULAR GODS, Ravi Zacharias and Vince Vitale challenge the

popular "isms" of
the day, skillfully
pointing out the
fallacies in their
claims and
presenting
compelling
evidence for
revealed absolute
truth as found in
Jesus. This book is
fresh, insightful,
and important, and
faces head on

today's most
urgent challenges
to Christian faith. It
will help seekers to
explore the claims
of Christ and will
provide Christians
with the knowledge
to articulate why
they believe that
Jesus stands tall
above all other
gods.

“A kingdom man is

that when his feet hit the floor each morning the devil says, 'Oh crap, he's up!'" So begins this powerful volume from Dr. Tony Evans, now in softcover. Tony believes that God wants every man to be a world-changer. He skillfully takes

readers along a
journey through
the principles of
biblical manhood,
exploring how
those who live,
work, and minister
around a kingdom
man benefit from
his leadership and
care. Men will be
challenged to fully
understand their
position under God

as well as their position over what God has given them. Equipped with these concepts, they can actively pursue ways to maximize and develop the character qualities of biblical manhood in their lives. As Tony contends, the enemy doesn't

want you to know
it, but you're not
the man you think
you are. You're a
whole lot more.
Starting now, you
can be a kingdom
man.

God does not
suggest, he
commands that we
do justice. Social
justice is not

Where To

optional for the
Christian. All
injustice affects
others, so talking
about justice that
isn't social is like
talking about water
that isn't wet or a
square with no
right angles. But
the Bible's call to
seek justice is not a
call to superficial,
kneejerk activism.

Where To Download No

We are not merely commanded to execute justice, but to "truly execute justice." The God who commands us to seek justice is the same God who commands us to "test everything" and "hold fast to what is good."
