he's writing about his grandfather Charlie Bundrum, a man who died before Bragg was born but left an indelible imprint on the people who loved him. Drawing on their memories, Bragg reconstructs the life of an unlettered roofer who kept food on his family's table through the worst of the Great Depression; a moonshiner who drank exactly one pint for every gallon he sold; an unregenerate brawler, who could sit for hours with a baby in the crook of his arm. In telling Charlie's story, Bragg conjures up the backwoods hamlets of Georgia and Alabama in the years when the roads were still dirt and real men never cussed in front of ladies. A masterly family chronicle and a human portrait so vivid you can smell the cornbread and whiskey, *Ava's Man* is unforgettable.

In this irresistible collection of wide-ranging and endearingly personal columns culled from his best-loved pieces in *Southern Living* and *Garden & Gun*, Pulitzer Prize-winning author Rick Bragg muses on everything from his love of Tupperware to the decline of country music; from the legacy of Harper Lee to the metamorphosis of the pickup truck; and from the best way to kill fire ants to why any self-respecting Southern man worth his salt should carry a good knife. An ode to the stories and the history of the South, crackling with tenderness, wit, and deep affection, *Where I Come From* celebrates "a litany of great talkers, blue-green waters, deep casseroles, kitchen-sink permanents, lying fishermen, haunted mansions, and dogs that never die, things that make this place more than a dotted line on a map or a long-ago failed rebellion, even if only in some cold-weather dream." Evoking the beauty and the odd particularity of humble origins, Bragg's searching vision, generous humor, and richly nuanced voice bring a place, a people, and a world vividly to life.

From celebrated New York Times bestselling author and winner of the Pulitzer Prize, Rick Bragg, comes a poignant and wryly funny collection of essays on life in the south. Keenly observed and written with his insightful and deadpan sense of humor, he explores enduring Southern truths about home, place, spirit, table, and the regions' varied geographies, including his native Alabama, Cajun country, and the Gulf Coast. Everything is explored, from regional obsessions from college football and fishing, to mayonnaise and spoonbread, to the simple beauty of a fish on the hook. Collected from over a decade of his writing, with many never-before-published essays written specifically for this edition, *My Southern Journey* is an entertaining and engaging read, especially for Southerners (or feel Southern at heart) and anyone who appreciates great writing.

A New York Times bestseller Part cookbook, part memoir, *The Best Cook in the World* is Pulitzer Prize-winner Rick Bragg's loving tribute to the South, his family and, especially, to his extraordinary mother. They come, skillet by skillet, from Bragg's ancestors, from feasts and near famine, from funerals and celebrations, and from a thousand tales of family lore as rich and as sumptuous as the dishes they inspired. Deeply personal and unflinching mouthwatering, *The Best Cook in the World* is a book to be savored.

A New York Times Notable Book of the Year This haunting, harrowing, gloriously moving recollection of a life on the American margin is the story of Rick Bragg, who grew up dirt-poor in northeastern Alabama, seemingly destined for either the cotton mills or the penitentiary, and instead became a

Pulitzer Prize-winning reporter for The New York Times. It is the story of Bragg's father, a hard-drinking man with a murderous temper and the habit of running out on the people who needed him most. But at the center of this soaring memoir is Bragg's mother, who went eighteen years without a new dress so that her sons could have school clothes and picked other people's cotton so that her children wouldn't have to live on welfare alone. Evoking these lives--and the country that shaped and nourished them--with artistry, honesty, and compassion, Rick Bragg brings home the love and suffering that lie at the heart of every family. The result is unforgettable.

"A memoir and elegy to the author's deceased dog, The Speckled Beauty"--

Private First Class Jessica Lynch tells of her life in Palestine, West Virginia and recounts the details of her capture, imprisonment, and dramatic rescue during the Iraq War.

New York Times Bestseller The greatest Southern storyteller of our time, New York Times bestselling author Rick Bragg, tracks down the greatest rock and roller of all time, Jerry Lee Lewis--and gets his own story, from the source, for the very first time. A monumental figure on the American landscape, Jerry Lee Lewis spent his childhood raising hell in Ferriday, Louisiana, and Natchez, Mississippi; galvanized the world with hit records like "Whole Lotta Shakin' Goin' On" and "Great Balls of Fire," that gave rock and roll its devil's edge; caused riots and boycotts with his incendiary performances; nearly scuttled his career by marrying his thirteen-year-old second cousin--his third wife of seven; ran a decades-long marathon of drugs, drinking, and women; nearly met his maker, twice; suffered the deaths of two sons and two wives, and the indignity of an IRS raid that left him with nothing but the broken-
