Two brothers from one of the nation's great families-Henry Melville Whitney of Boston and William Collins Whitney of New York-pursued the dream of his city digging America's first subway, and the great race was on. The competition between Boston and New York played out in an era not unlike our own, one of economic upheaval, life-changing innovations, class warfare, bitter political tensions, and the question of America's place in the world.

The Race Underground: Boston, New York, and the Incredible ...

The Race Underground is peopled with the famous, like Boss Tweed, and Thomas Edison, and the not-so-famous, like the countless "sandhogs" who dug and blasted into the earth's crust, sometimes losing their lives in the process of building the subway's tunnels. Doug Most chronicles the science of the subway, looks at fears people had about travelling underground and tells a story as exciting as any ever ripped from the pages of U.S. history.
