Tribe Quotes by Sebastian Junger - Goodreads

The most recent example of that attraction is combat veterans who come home to find themselves missing the incredibly intimate bonds of platoon life. The loss of closeness that comes at the end of deployment may explain the high rates of post-traumatic stress disorder suffered by military veterans today. Combining history, psychology, and anthropology, TRIBE explores what we can learn from tribal societies about loyalty, belonging, and the eternal human quest for meaning.

Tribe — Sebastian Junger

Tribe: On Homecoming and Belonging. Sebastian Junger | 2016. Recommended by: Bill Roos. Posted in: Bridging Divides Social Psychology. Purchase →. We are hardwired to desire belonging to small groups defined by clear purpose, a tribal connection that has been largely lost in modern society, leading to increases in depression, suicides, and rampage killings.

Tribe: On Homecoming and Belonging - Braver Angels

One of his central themes is the idea that soldiers in combat situations have such an intense experience of interdependency, solidarity and community that they often struggle upon returning to civilian life in the US, in which there rarely is any similar sort of community to which they can belong. TRIBE is well-worth reading for pointed socio-political questions it asks about American civic life and for the keen observations it makes about the combat experience.

Tribe: On Homecoming and Belonging: Junger, Sebastian ...

Tribe: On Homecoming And Belonging is a book by Sebastian Junger on how people are becoming more depressed and disconnected in safe and affluent societies. It's much more than that. It's about longing to be part of something bigger than ourselves and despite living safer, healthier and wealthier than ever, people are feeling that something is missing on a deep human level.
